

## Call for papers

### « Tourism Management for Sustainable Development »

As part of the upcoming international conference on Supply Chain Management, we invite you to submit your proposals for a special session dedicated to the latest advances, challenges and innovations in tourism management. This session will focus on emerging strategies, trends and practices in the management of tourism destinations, businesses and related services, exploring potential synergies with supply chain management in enhancing efficiency and service quality within the tourism sector.

### Suggested topics

We encourage submissions on, but are not limited to, the following topics:

1. Strategic management of tourism destinations
2. Innovation and digitalization in tourism
3. Sustainable tourism and social responsibility
4. Sustainable Tourism and Supply Chains
5. Circular Economy and Tourism Supply Chains
6. Tourism marketing and consumer behavior
7. Crisis management and resilience in the tourism sector
8. Local Sourcing in Tourism
9. Managing Disruptions in Tourism Supply Chains
10. Tourism and local communities

### PUBLICATION OPPORTUNITIES

We are delighted to welcome the submission of extended versions of selected papers for potential publication in the following journals:

1. [Journal of Bali Studies](#)
2. [E-Journal of Tourism](#)

### PAPER SUBMISSION

Authors are invited to submit papers (min 4 pages) or extended abstracts (min 1 page - max 4 pages) reporting original research. Papers are required to be written and presented in English. Authors are invited to submit their papers in PDF files **no later than 31 July 2025** through the conference website: <https://vsscm2025.sciencesconf.org/submission/submit>.

You have to [create an account](#) to submit your article to the system. Early submission is highly encouraged and the decision is made as soon as the peer-review is completed. No submission fee is required.
